G.O.RT.No. 257 Dated: 23-03-2018

Read :

Note from the Managing Director, Swachh Bharat Corporation, Dt.13.03.2018.

*****

O R D E R:

In the reference read above, the Managing Director, Swachh Andhra Corporation has stated that the Government of Andhra Pradesh have established Swachha Andhra Corporation which was incorporated from 1st May 2015 with a goal to achieve the campaign "Swachh Bharat Mission" launched on 2nd October 2014 by Hon'ble Prime Minister of India. Swachha Andhra Corporation has the mandate to fulfill the Mahatma Gandhi's dream of "Swachh Bharat" by eliminating open defecation, eradication of manual scavenging, Solid and Liquid Waste Management, Information, Education and Communication and Capacity Building activities to maintain the cleanliness and hygiene in urban and rural areas in the State of Andhra Pradesh. The Ministry of Drinking Water and Sanitation, Government of India, have requested to prepare AIP for the year 2018-19 on the items ODF-Sustainability and Solid & Liquid Waste Management. In order to keep momentum of ODF sustenance the IEC/BCC activities are being carried out in the Districts/Mandals/GPs.

2. He has further stated that the main focus of Swachh Bharat Mission in Andhra Pradesh in the year 2018-19 will be on the ODF Sustenance and SLWM, as the State is going to achieve Open Defecation Free by 31st March 2018. A focused and well planned approach shall be formulated for achieving the objectives. The expertise available currently at the State and district level is not adequate to achieve the above objectives on a long term basis and also make the Solid and Liquid Waste Management sustainable. Choosing the appropriate technologies relevant to the geographical conditions is key to the success of these projects in view of large geographical area of the State. Advising the districts on adoption of technologies, availability of technologies and regular evaluation of projects implemented need to be accessed for their proper evaluation and rectification for which a technical committee and project review & approval committee need to be constituted.

3. He has therefore requested the Government to issue orders for constitution of Technical Committee and Project Review & Approval Committees.

4. Government after careful examination of the matter, hereby constitute the Technical Committee and Project Review & Approval Committees with the following members :

Technical Committee:-

1. Engineer-in-Chief, RWS&S
2. Engineer-in-Chief, PR
3. Representatives of Technology Partners – ASCI, GIZ, BORDA, CDD
4. Academicians from reputed universities working on SLWM
5. Representatives of NEERI, UNICEF and TATA TRUSTS
6. Any other member as per requirement.

p.t.o.
